Name of Book: The Naughtiest Girl In The School

Genre: Realistic Fiction

It's about a spoilt little girl named Elizabeth Allen. She is very naughty and rude. Her mother decides that she should go to a boarding school called Whyteleafe School. She is very upset. In Whyteleafe there are many problems waiting for her.

The main characters are Elizabeth Allen and Joan. Elizabeth Allen is a spoilt, rude, naughty child whereas Joan is a very quiet, decent child but she is very lonely because she thinks her mother doesn't love her.

I loved reading about the school meetings as there were many funny complaints that came up for discussion there.
