Abigail (the great one) and Jake (the pain) are brother and sister. They fight for every little thing. When Lucas (the bully) picks on Jake he needs his sister's help.

Jake is a pain and troubles his sister. Abigail can't stand him. Abigail is a sweet girl and helps Jake quite a lot. Lucas is a bully who flicked Jake's magnifying glass but ended up giving it back.

This story reminded me of my sister and me. Even we fight for things but not as much as Jake and Abigail.

I loved the book and couldn't put it down. I loved the plot and would recommend it to all my friends.
