Name of Book: How the Mice Ate Iron

Genre: Mystery

The book was about two friends one was rich and the other was poor. One day the poor friend went to the rich friend's house and gave the rich the friend his iron beam. When the poor friend came back to take the beam, the rich friend said the mice ate it. At the same time the rich friend's son came and the poor friend offered to take him for a drive. When the poor came back from the drive, he told the rich man that a bird took the son from the car.

The book was AWESOME
